1 Download the app

Download the free
"Panasonic Music
Streaming" app from the
store on your smartphone/
tablet.

iOS : App Store

Android : Google Play™

2

Open the app and follow the on-screen instructions

Select ALL7CD.

Connect the AC mains
lead.

NOTE:
Do not connect the LAN
cable.

Turn on the unit.
Enter network setup for
the unit by following the
steps on app screen.

- Depending on the screen size of your smartphone/tablet, you may need to scroll to the bottom for any remaining steps. After doing the last step, "Setting" will blink on the unit's display.

iOS : Follow the steps
on app screen.

- "ALL7CDXXXXX_AJ" can sometimes take 1 minute to appear in the network list.
- Depending on the screen size of your smartphone/tablet, you may need to scroll to the bottom for any remaining steps.

Android : Enter the password
of your wireless network.

3 After a short wait ...you're connected!

The network indicator
lights up solid.

After a short wait, your
smartphone/tablet should be
automatically reconnected to
your Wi-Fi network. In case you
are not reconnected
automatically, please re-select
your Wi-Fi network from the
settings / Wi-Fi settings menu on
your device.

Further Support

For more information and
other network setting
methods, refer to the
Operating Instructions.
